Instructions to access Lynda.com

To access Lynda.com, log into MyLMU and select the Quick Links tab on the right-hand side of the page.

Choose Lynda.com to get started: your account will be generated the first time you select this link. No need to sign in: Lynda.com can always be accessed through your MyLMU account from the Quick Links area.

Once you have logged in, under the area for Playlists, you will see a link to Intro to Lynda.com. It is highly recommended you view this set of videos before you get started.
